Ref.: New registration plates in BIH

Dear Sirs,

On 28.09.2009 new Rule book on registration plates came in to the force and there have been some changes in registration plates in Bosnia and Herzegovina as follows:

New registration plates, in use after 28.09.2009:

Normal Series:

Colors: black on reflecting white
Size: 520 mm x 110 mm rectangular
Format: one letter and two numbers, hyphen, one letter, hyphen three numbers with blue fields on the left side of the plate, containing "BIH"
letters in use are: A, E, J, K, M, O, T : "German FE" font in used
Trailers: separate normal series registration
Motorcycles: normal series 240mm x 130mm.

Diplomatic Series:

colors: yellow on blue
size: 520 mm x 110 mm rectangular
format: two numbers, hyphen, one letter, hyphen, three numbers

Also, we have to advise you, that "old" registration plates – issued before 28.09.2009, stay valid until expiry of it's registration. So, for the time being, we will have two kind of registration plates in use, both valid – at the latest 27.09.2010.

Would you be so kind and inform all other national Bureaux – accordingly.

Yours sincerely,

Director
