Re: Withdrawal of activity license of MÁV ABE (H/13)

Dear Mr Pire,

I inform you that as from the 15<sup>th</sup> of July 2008 the activity licences of our member, MÁV Általános Biztosító Egyesület (MÁV ABE), code: H/13, address: H-1062 Budapest, Andrásy út 66 have been withdrawn by the decision dd. 31<sup>st</sup> July 2008 of the Hungarian Financial Supervisory Authority. The day when the withdrawal **will come into force is the 15<sup>th</sup> of August 2008**. At the same time the Supervisory Authority called upon the insureds of the insurer mentioned to conclude an insurance contract with another insurance company until this date since their present contract will become invalid at 24 hours of the 15<sup>th</sup> August 2008 by virtue of the relating decision.

Due to the above facts the company will be cancelled from our List of Members as from the 16<sup>th</sup> of August 2008. From that day on the Green Cards issued formerly by MÁV Általános Biztosító Egyesület will become null and void.

You are kindly requested to inform all members of the Council of Bureaux advising that - following the settlement of claims caused by the insureds of our member until the time limit announced - all reimbursement demands should be sent to our bureau.

Simultaneously all national bureaux are requested to prepare and send us as soon as possible a list of all outstanding reimbursement demands and a separate list of the claims yet unsettled indicating the claim reserve in each case.

Please, forward my letter also to the Compensation Bodies and Information Centres of the EEA countries.

Thank you and all colleagues in advance for the kind cooperation.

Kind regards

**RAGÁLYI István  
Managing Director**
